

Tarot by George

Professional Tarot Readings for Corporate & Private Events

Overview

Tarot by George provides professional tarot readings for corporate events, holiday parties, conferences, retreats, and private celebrations. Readings are designed to be light, optional, and appropriate for professional environments—offering guests a thoughtful, engaging experience that adds warmth and conversation without disrupting the flow of the event.

How It Works

- Dedicated small-table setup
- One-on-one or paired readings
- Typical reading length: **6–10 minutes per guest**
- Guests participate at their own pace
- Adjacent waiting area for smooth event flow

This structured format integrates easily into both large and intimate events and is especially welcoming for first-time participants.

What Guests Enjoy

Guests often describe the experience as engaging, surprisingly insightful, and enjoyable—even for those who have never had a tarot reading before. The one-on-one format creates a moment of focus and curiosity, giving guests something memorable to take away from the event.

Why It Works for Corporate & Private Events

- Optional participation that respects individual comfort levels
- Professional, discreet presentation
- Structured timing that supports event schedules
- Engaging without being intrusive or performative
- Encourages positive interaction and conversation among guests

Booking Details

- Event bookings typically **2–3 hours**
- Based in **Northern Colorado**
- **15-mile radius included** (travel beyond included radius: **\$1 per mile**)

Custom quotes available based on event size, timing, and location.

About

Alex George is the reader behind Tarot by George, bringing a calm, professional approach shaped by years of experience working with corporate teams and major brands. That background informs every event—prioritizing reliability, discretion, and a polished guest experience.
